Section 1 – The Bar Dates

On February 15, 2018, the United States District Court for the District of Puerto Rico (the “District Court”) entered an order (the “Bar Date Order”) in the above-captioned Title III Cases in accordance with Bankruptcy Rule 3003(c) fixing the following deadlines to file Proofs of Claim (collectively, the “Bar Dates”):

- (a) **General Bar Date: 4:00 p.m. (Atlantic Standard Time) on May 29, 2018**, is the deadline (the “General Bar Date”) for filing proofs of claim (as defined in Bankruptcy Code section 101(5)), against the Debtors on account of (i) claims arising, or deemed to have arisen, prior to the respective commencement dates for their Title III Cases, including, for the avoidance of doubt, bond claims and claims arising under Bankruptcy Code section 503(b)(9), and (ii) claims asserted by governmental units (as defined in Bankruptcy Code section 101(27));
- (b) **Rejection Bar Date**: Except as otherwise set forth in any order authorizing the rejection of an executory contract or unexpired lease, **4:00 p.m. (Atlantic Standard Time) on the date that is the later of (i) the General Bar Date and (ii) the first business day that is thirty-five (35) calendar days after the entry of an order by the Court authorizing such rejection** is the deadline for a party to any such rejected executory contract or unexpired lease to file proofs of claim relating to the rejection of such contract or lease (the “Rejection Bar Date,” and together with the General Bar Date, the “Bar Dates”); and
- (c) **Bar Date if Creditor List is Amended or Supplemented**: If, after the Bar Date Notice is served, any Debtor (a) amends its respective Creditor List to reduce a claim and/or to change the classification, nature or characterization of a claim, or (b) supplements its respective Creditor List, such Debtor shall give notice of any amendment or supplement to the holders of claims reduced or changed thereby, and advise such holders they shall each have until the **later of (i) the General Bar Date and (ii) thirty-five (35) days from the date of such notice** to file a proof of claim, or an amended proof of claim, if applicable, or be barred from so doing.

As used in this Notice, a “claim,” as defined in section 101(5) of the Bankruptcy Code, whenever arising, includes in each case any claims against any of the Debtors based upon the Debtors’ primary, secondary, direct, indirect, fixed, secured, unsecured, contingent, guaranteed, disputed, undisputed, liquidated, unliquidated, matured, unmatured, legal, or equitable liability or otherwise, including, for the avoidance of doubt, claims arising under section 503(b)(9) of the Bankruptcy Code (each, a “Claim”).

Section 2 – Who Is NOT Required To File a Proof of Claim

THE FACT THAT YOU RECEIVED THIS NOTICE DOES NOT MEAN THAT YOU HAVE A CLAIM AGAINST THE DEBTORS OR THAT THE DEBTORS BELIEVE YOU HAVE A CLAIM.

- H. Individual Union Members' Claims: Any person or entity that holds a claim limited to obligations due under their respective collective bargaining agreements, including, but not limited to, grievances, or claims arising from their current or former employment relationship with the Commonwealth; provided, however, that any such holder must assert (i) a claim not otherwise excepted from filing a proof of claim by Paragraphs A. through O. of this Section, or (ii) a claim for a grievance that has been resolved and liquidated by settlement or arbitration award as of February 28, 2018, by filing a proof of claim with respect to such other claim on or before the General Bar Date to avoid disallowance of such other claim;
- I. Individual Bondholder Claims Arising From Bonds That Do Not Have an Indenture Trustee, Fiscal Agent, or Similar Agent or Nominee: Any person or entity that holds a claim that is limited to the repayment of principal, interest and such other amounts that may arise under the respective trust agreement or bond document that does not provide for an indenture trustee, fiscal agent, or similar agent or nominee that could file a Master Proof of Claim; provided, however, that any such holder must assert a claim not otherwise excepted from filing a proof of claim by Paragraphs A. through O. of this Section by filing a proof of claim with respect to such other claim on or before the General Bar Date to avoid disallowance of such other claim;
- J. Individual Bondholder Claims Covered by Timely Filed Bond Master Proof of Claim: Any person or entity that holds a claim that is limited to the repayment of principal, interest and other fees and expenses, to the extent the relevant indenture trustee, fiscal agent, or similar agent or nominee files a Bond Debt Master Proof of Claim against the relevant Debtor on or before the General Bar Date on account of all bond claims against the relevant Debtor under the respective trust agreement or bond document; provided, however, that any such holder must assert a claim not otherwise excepted from filing a proof of claim by Paragraphs A. through O. of this Section by filing a proof of claim with respect to such other claim on or before the General Bar Date to avoid disallowance of such other claim;
- K. Individual Credit Agreement Lender Claims: Any person or entity that holds a claim that is limited to the repayment of principal, interest and other fees and expenses, to the extent the relevant agent, if such agent exists, files a Credit Agreement Master Proof of Claim against the relevant Debtor on or before the General Bar Date on account of all lender claims against the relevant Debtor under the respective credit agreement; provided, however, that any such holder must assert a claim not otherwise excepted from filing a proof of claim by Paragraphs A. through O. of this Section by filing a proof of claim with respect to such other claim on or before the General Bar Date to avoid disallowance of such other claim;
- L. Inter-Governmental Claims: (i) Any municipality, department, or agency of the Commonwealth that is not a Debtor or "covered territorial instrumentality" (as defined in PROMESA) asserting a claim against a Debtor in an amount less than \$200 million, or (ii) any Debtor or "covered territorial instrumentality". For the avoidance of doubt, any entity described in the foregoing clause (i) asserting a claim against a Debtor equal to or greater than \$200 million must file a proof of claim with respect to such claim on or before the General Bar Date to avoid disallowance of such claim;

provided, however, that, should the District Court fix a date by which the Claims described in Paragraphs A. through O. above must be filed, you will be notified of such bar date at the appropriate time.

Section 3 – Who MUST File a Proof of Claim

You **MUST** file a **Proof of Claim** to vote on any plan of adjustment filed by the Oversight Board on behalf of the Debtors or to share in any distributions from the Debtors if you have a Claim that arose prior to the commencement dates and it is not one of the types of Claims described in Paragraphs A. through O. in Section 2 above.

A holder of a possible Claim against the Debtors should consult an attorney if such holder has any questions regarding this Notice, including whether the holder should file a Proof of Claim.

Section 4 – Consequences of Failure to File a Proof of Claim by the Applicable Bar Date

ANY HOLDER OF A CLAIM THAT IS NOT EXCEPTED FROM THE REQUIREMENTS OF THE BAR DATE ORDER, AS SET FORTH IN PARAGRAPHS A. THROUGH O. IN SECTION 2 ABOVE, AND THAT FAILS TO TIMELY FILE A PROOF OF CLAIM IN THE APPROPRIATE FORM WILL BE FOREVER BARRED (UNLESS OTHERWISE ORDERED BY THE COURT) FROM ASSERTING SUCH CLAIM AGAINST THE DEBTORS, FROM VOTING ON ANY PLAN OF ADJUSTMENT FILED IN THESE TITLE III CASES, AND FROM PARTICIPATING IN ANY DISTRIBUTION IN THESE TITLE III CASES ON ACCOUNT OF SUCH CLAIM.

Section 5 – What to File

IF YOU ARE ASSERTING A CLAIM AGAINST MORE THAN ONE DEBTOR, SEPARATE PROOFS OF CLAIM MUST BE FILED AGAINST EACH SUCH DEBTOR AND YOU MUST IDENTIFY ON YOUR PROOF OF CLAIM THE SPECIFIC DEBTOR AGAINST WHICH YOUR CLAIM IS ASSERTED AND THE CASE NUMBER OF THAT DEBTOR'S TITLE III CASE.

Each Proof of Claim, to be properly filed pursuant to this Notice, shall: (i) be written in English or Spanish; (ii) be denominated in lawful currency of the United States as of the relevant Title III Case commencement date; (iii) set forth with specificity the legal and factual basis for the asserted claim; (iv) include a copy of the supporting documentation (or, if such documentation is voluminous, you must attach a summary of such documentation) or an explanation as to why such documentation is not available, with such documentation, summary, or explanation being provided in English or Spanish; (v) include an original or electronic signature of the claimant or an authorized agent of the

claimant; and (vi) substantially conform to the Proof of Claim Form approved by the Bar Date Order. If you file a summary of the supporting documentation because they are voluminous, you must transmit the supporting documentation to (a) the Claims Agent and (b) the applicable Debtor within ten days after the date of a written request by the Debtors for such documents.

Instructions for Proof of Claim

United States Bankruptcy Court

12/15

These instructions and definitions generally explain the law. In certain circumstances, such as bankruptcy cases that debtors do not file voluntarily, exceptions to these general rules may apply. You should consider obtaining the advice of an attorney, especially if you are unfamiliar with the bankruptcy process and privacy regulations.

How to fill out this form

- Fill in all of the information about the claim as of the petition date.
- Fill in the caption at the top of the form.
- If the claim has been acquired from someone else, then state the identity of the last party who owned the claim or was the holder of the claim and who transferred it to you before the initial claim was filed.
- Attach any supporting documents to this form.
Attach redacted copies of any documents that show that the debt exists, a lien secures the debt, or both. (See the definition of *redaction* on the next page.)

Also attach redacted copies of any documents that show perfection of any security interest or any assignments or transfers of the debt. In addition to the documents, a summary may be added. Federal Rule of Bankruptcy Procedure (called “Bankruptcy Rule”) 3001(c) and (d).
- Do not attach original documents because attachments may be destroyed after scanning.
- If the claim is based on delivering health care goods or services, do not disclose confidential health care information. Leave out or redact confidential information both in the claim and in the attached documents.

- A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, individual’s tax identification number, or financial account number, and only the year of any person’s date of birth. See Bankruptcy Rule 9037.
- For a minor child, fill in only the child’s initials and the full name and address of the child’s parent or guardian. For example, write *A.B., a minor child (John Doe, parent, 123 Main St., City, State)*. See Bankruptcy Rule 9037.

Confirmation that the claim has been filed

To receive confirmation that the claim has been filed, either enclose a stamped self-addressed envelope and a copy of this form or contact Epiq Bankruptcy Solutions, LLC at (888) 697-8557 (toll free for U.S. and Puerto Rico) or (503) 520-4450 (for international callers), or by email at prepa@epiqsystems.com. You may view a list of filed claims in the Title III cases by visiting the Claims and Noticing Agent’s website at <https://cases.primeclerk.com/puertorico>.

Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate. 11 U.S.C. § 503.

Claim: A creditor’s right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Claim Pursuant to 11 U.S.C. § 503(b)(9): A claim arising from the value of any goods received by the Debtor within 20 days before the petition date, in which the goods have been sold to the Debtor in the ordinary course of the Debtor's business. Attach documentation supporting such claim.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. § 101 (10).

Debtor: A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the petition date. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy or confidential information. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Secured claim under 11 U.S.C. § 506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of § 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

Comprenda los términos utilizados en este formulario

Gastos administrativos: En términos generales, gastos que se generan luego de presentar un caso de quiebra en relación con el manejo, la liquidación o la distribución del patrimonio de la quiebra.

Título 11 § 503 del Código de los Estados Unidos (U.S.C.).

Reclamación: El derecho de un acreedor a recibir un pago por una deuda del deudor a la fecha en la que el deudor solicitó la quiebra. Título 11 §101 (5) del U.S.C. Una reclamación puede estar garantizada o no garantizada.

Reclamación de conformidad con el Título 11 § 503(b)(9) del U.S.C.: Una reclamación que surge del valor de cualquier bien recibido por el Deudor dentro de los 20 días anteriores a la fecha en la que se presentó el caso, en el que los bienes se han vendido al Deudor en el transcurso normal de los negocios del Deudor. Adjunte la documentación que respalde dicha reclamación.

Acreedor: Una persona, una sociedad anónima u otra entidad con la que el deudor tiene una deuda que se contrajo en la fecha en la que el deudor solicitó la quiebra o con anterioridad. Título 11 § 101 (10) del U.S.C.

Deudor: Una persona, una sociedad anónima u otra entidad que está en quiebra. Utilice el nombre del deudor y el número de caso tal como se muestran en el aviso de quiebra que recibió. Título 11 § 101 (13) del U.S.C.

Prueba de pasos adicionales: La prueba de la realización de pasos adicionales para hacer valer un derecho de garantía puede incluir documentos que demuestren que se ha presentado o registrado un derecho de garantía, tal como una hipoteca, un derecho de retención, un certificado de propiedad o una declaración de financiamiento.

Información que debe mantenerse en privado: El formulario de *Evidencia de reclamación* y los documentos adjuntos solo deben mostrar los últimos 4 dígitos de un número de seguridad social, el número de identificación tributaria de una persona o un número de cuenta financiera, y solo las iniciales del nombre de un menor y el año de la fecha de nacimiento de una persona. Si una reclamación se basa en la prestación de bienes o servicios de atención médica, limite la divulgación de los bienes o servicios a fin de evitar la incomodidad o la divulgación de información de atención médica confidencial. Es posible que, más adelante, se le solicite que brinde más información si el síndico u otra persona de interés se opone a la reclamación.

Evidencia de reclamación: Un formulario que detalla el monto de la deuda que el deudor mantiene con un acreedor a la fecha de la presentación. El formulario debe ser presentado en el distrito donde el caso se encuentra pendiente de resolución.

Edición de información: Ocultamiento, corrección, o eliminación de cierta información para proteger la privacidad o la información confidencial. Quienes presenten la documentación deben editar u omitir información sujeta a **privacidad** en el formulario de *Evidencia de reclamación* y en cualquier documento adjunto.

Reclamación garantizada en virtud el Título 11 § 506(a) del U.S.C.: Una reclamación respaldada por un derecho de retención sobre un bien en particular del deudor. Una reclamación está garantizada en la medida que un acreedor tenga el derecho a recibir un pago proveniente del bien antes de que se les pague a otros acreedores. El monto de una reclamación garantizada generalmente no puede ser mayor que el valor del bien en particular sobre el cual el acreedor mantiene un derecho de retención. Cualquier monto adeudado a un acreedor que sea mayor que el valor del bien generalmente se lo considera una reclamación no garantizada. Sin embargo, existen excepciones; por ejemplo, el Título 11 § 1322(b) del U.S.C., y la oración final de § 1325(a).

Algunos ejemplos de derechos de retención sobre bienes incluyen una hipoteca sobre un inmueble o un derecho de garantía sobre un automóvil. Un derecho de retención puede ser otorgado de manera voluntaria por un deudor o puede obtenerse a través de un procedimiento judicial. En algunos estados, una resolución judicial puede ser un derecho de retención.

Compensación: Ocurre cuando un acreedor se paga a sí mismo con dinero que pertenece al deudor y que mantiene en su poder, o cuando el acreedor cancela una deuda que mantiene con el deudor.

Reclamación no garantizada: Una reclamación que no cumple con los requisitos de una reclamación garantizada. Una reclamación puede no estar garantizada en parte en la medida que el monto de la reclamación sea mayor que el valor del bien sobre la cual un acreedor tiene un derecho de retención.

Ofrecimiento de compra de una reclamación

Algunas entidades compran reclamaciones por un monto menor que su valor nominal. Estas entidades pueden contactar a acreedores para ofrecerles la compra de sus reclamaciones. Algunas comunicaciones por escrito de estas entidades pueden confundirse fácilmente con documentación judicial oficial o con comunicaciones del deudor. Estas entidades no representan al tribunal de quiebras, al síndico de la quiebra, ni al deudor. Un acreedor no tiene obligación alguna de vender su reclamación. Sin embargo, si decide hacerlo, cualquier transferencia de esa reclamación está sujeta a la Norma de Quiebras 3001(e), a las correspondientes disposiciones del Código de Quiebras (Título 11 § 101 y subsiguientes del U.S.C.) y a cualquier resolución del tribunal de quiebras que corresponda al caso.
